What Birds can you attract with Pennington bird seed? Use this Chart as your guide.

USE ANY OF THESE STYLE FEEDERS

Turn your backyard into a natural habitat for birds by feeding them year-round. A plentiful supply of Pennington's vitamin enriched bird foods will attract newly hatched birds, as well as many other varieties of seasonal migrating birds. Fresh seed, a clean feeder, and a constant supply of clean water are preferred by birds.

ABOUT PENNINGTON BIRD SEED

Pennington Bird seed has been specially formulated to attract different types of birds based on scientific experimentation. Today, the birds' choice of seed, their dietary requirements and the nutritional value of each ingredient are used to establish a balanced blend.

GREAT ENTERTAINMENT FOR YOUR YARD!™

The Pennington Wild Bird Band chooses only the best ... seriously tasty, highly nutritional, vitamin enriched Pennington Wild Bird Seed.

They're determined to find only Pennington and are searching your neighborhood right now looking for their favorite seeds. With every feeder in your yard it's like landing another front row ticket to your favorite backyard show. Every seed sets the stage, bringing out a variety of those special feathered friends that the whole family loves to watch.

From *Chaz* the Cardinal to *Finch* the Red Finch to *Chick-a-Dee* the Black Capped Chickadee to *Lester* the Woodpecker you too can have your very own wild bird band in your yard, all year round. Just fill your feeders with Pennington Wild Bird Feed and be ready, because an incredibly entertaining show is about to begin!
