

THE ATRIX EXPRESS IPM

IMMEDIATE CONTAINMENT HEPA FILTER CARTRIDGE

PORTABLE - Weighing just 4 pounds, the Atrix Express IPM is one of the lightest portable vacuums on the market. It also comes complete with all accessories shown above.

FILTRATION - HEPA FILTER (99.97% EFFICIENT @ 0.3 MICRON). HEPA filtration reduces the risk of virus, bacteria and pesticide dispersion.

CONVENIENT - Easy to operate, and the replacement cartridge filters install with a snap and without mess.

POWERFUL - Atrix has built in a new, powerful motor making the Express Plus as powerful as most of the larger service vacuums. Ideal for bed bugs and bees.

Why just kill bugs with messy chemicals and heat when you can quickly and safely eliminate them with an Omega Green Supreme?

Increase your service, increase your revenue.

Made in the USA, 18 Month Limited Warranty
