PROFESSIONAL FEATURES AND PERFORMANCE

The new EnviroMate PRO (EP1000) takes on the most challenging cleaning and sanitizing jobs with ease. From hospitals and schools to restaurants and hotels the EnviroMate PRO beats the performance and price of comparable machines in the steam-cleaning category.

WHY CLEAN WITH STEAM?

Steam deodorizes and sanitizes with heat and moisture and since the only ingredient required for the EnviroMate PRO (EP1000) is water, commercial cleaning has never been safer, healthier, more cost-effective or environmentally friendly. The premium choice for professionals and the most discerning homeowners.

Smart. Professional. Reliable. Since 1955.
