

# Grow SUP!

hydrogarden 

## EAT WHOLE FOODS

Grow organic or non-organic  
veggies, fruits, flowers and herbs  
from home, year-round

## GARDEN ANYWHERE

Pick a sunny spot outdoors or  
indoors on a patio, balcony or  
roof top

## BE ECO-FRIENDLY

Use 90% less water, no harmful  
pesticides and an energy  
efficient submersible pump

## MAXIMIZE YOUR HARVEST

Produce more crops 2X as fast  
that are better tasting and more  
nutritious than store-bought
