PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

WARNING

BEFORE USING THIS PRODUCT, READ ALL PRECAUTIONS, DIRECTIONS FOR USE, CONDITIONS OF SALE—LIMITED WARRANTY AND LIMITATIONS OF LIABILITY AND REMEDIES.

May be harmful if swallowed. May be harmful in contact with skin. Causes serious eye irritation. Causes mild skin irritation. May be harmful if inhaled. Keep product locked up and out of the reach of children. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum or smoking tobacco. Remove and wash contaminated clothing before reuse. Do not take internally. Avoid contact with or inhalation of spray application mist if present. Do not apply this product in such a manner as to directly expose workers or other persons. If product is being mixed with pesticides and/or spray adjuvants, follow all precautionary statements on the accompanying product(s) labeling. Not for human or animal consumption.

Personal Protective Equipment (PPE): Wear protective eyewear (goggles or face shield), chemical-resistant gloves, long-sleeved shirt and long pants, and shoes plus socks when using this product. Take off any contaminated clothing and wash before reuse.

FIRST AID

IF IN EYES:	<ul style="list-style-type: none"> Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Call a poison control center or doctor for treatment advice.
IF SWALLOWED:	<ul style="list-style-type: none"> Call a POISON CENTER or doctor immediately. Rinse mouth. Do NOT induce vomiting. Do not give anything by mouth to an unconscious person. Immediately call a POISON CENTER or doctor.
IF INHALED:	<ul style="list-style-type: none"> Move person to fresh air and keep at rest in a position comfortable for breathing if they feel unwell. If not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible. Call a POISON CENTER or doctor for treatment advice.
IF ON SKIN OR HAIR:	<ul style="list-style-type: none"> Take off immediately all contaminated clothing. Rinse skin with water or shower. Get medical attention if irritation develops or persists. Wash contaminated clothing before reuse.

Disclaimer: Always refer to the label on the product before using Helena or any other product.

HOT LINE NUMBER

Have the product container or label with you when calling a poison control center or doctor, or going for treatment. You may also contact 1-800-424-9300 for emergency medical treatment information.

STORAGE AND DISPOSAL

Store in original container only. Keep packages tightly closed and do not allow water to be introduced to container contents. Do not store this product near heat or open flame. This product will freeze at temperatures less than 30°F. Thawing occurs readily at temperatures greater than 32°F.

Container Disposal: Empty packaging should be offered for recycling or disposal in accordance with Federal, State and Local authorities. If packaging is burned, stay out of smoke.

For help in chemical emergencies involving spill, leak, fire or exposure, call toll free 1-800-424-9300.

GENERAL INFORMATION

KickStand® RTU 4-13-3 is a plant nutrient solution that when used in conjunction with sound fertility practices, improves quality and production for a wide range of agricultural, ornamental, and turf practices. Use in accordance with recommendations of a qualified individual or institution, such as, but not limited to, a certified crop advisor, agronomist, university crop extension publication, or apply according to recommendations in your approved nutrient management plan or according to soil test recommendations.

SPRAY MIX COMPATIBILITY

Applications of KickStand® RTU 4-13-3 with pesticides are possible provided that good agitation of the spray mix is maintained. Always check compatibility prior to mixing and apply the spray mix as soon as possible. Follow the mixing sequence below:

1. Water
2. KickStand® RTU 4-13-3
3. Pesticides

KickStand® RTU 4-13-3 is compatible with most liquid fertilizer/pesticide spray mixes at manufacturers' specified label rates. However, it is recommended that a "jar test" be performed prior to actual application. In the event of fertilizer/pesticide compatibility problems, the addition of a stabilizing/compatibility agent is recommended.

1. Water
2. Other Fertilizer(s)
3. KickStand® RTU 4-13-3
4. Approved compatibility agent (if needed according to jar test)
5. Pesticides

CROP RECOMMENDATIONS FOR APPLICATION THROUGH DRIP IRRIGATION SYSTEM

Table and Wine Grapes, Stone Fruit, Almonds, Pistachios and Other Tree Crops: Add to the irrigation water at a rate of 1 qt./acre per week (or 2 qts. every 2 weeks) for a total of one gallon. Begin as soon after harvest as possible. Apply in the final 25% of the irrigation cycle.

Citrus: Add to the irrigation water at a rate of 1 qt./acre per week (or 2 qts. every 2 weeks) for a total of one gallon. Begin in early September.

Non-bearing Trees and Vines: Apply at a rate of 1 qt./acre per month beginning after spring flush. Repeat three times over the growing season for a total of one gallon.

Vegetables: Start the applications at very early growth stage (4 true leaves). Apply 1 qt./acre every week for a total of 5-6 applications. Apply at the end of each irrigation cycle. For side-dress applications, apply a minimum of 2 qts./acre per application.

Strawberries: Start applications at very early growth stage or 14-21 days after transplanting. Apply 1 qt./acre every 2 weeks for a total of 6 – 10 applications. Apply at the end of each irrigation cycle.

Berries (such as Raspberries, Blackberries, Blueberries, Elderberries, Gooseberries, Currants, etc.): Add to irrigation water at 1 qt./acre per week or 2 qts./acre every two weeks for a total of one gallon per acre. Begin application as soon as possible after harvest. Apply at end of irrigation cycle. Transplants or Spring Application: Start application at very early growth stage or 14-21 days after transplanting. Apply 1 qt./acre every 14 days for a total of 6-10 applications. Apply at end of irrigation cycle.

SOIL APPLICATIONS

For in-furrow, banded, side dressed and broadcast applications through conventional equipment, use KickStand® RTU 4-13-3 at the rate of 2-8 pints per acre. Best results are obtained when KickStand® RTU 4-13-3 is incorporated, injected, or applied alone in a zone or band in the soil or with fertilizer at a minimum depth of two (2) to four (4) inches. The recommendations for use of this product are based upon the best current information available.

TRANSPLANT SOLUTIONS

KickStand® RTU 4-13-3 can be used in transplant solutions. Contact your Helena Dealer for additional information.

ORNAMENTAL USES

Use 1-1½ qt./100 gallons of water as a drench solution for soil or apply 2 qts./100 gallons of water as a directed spray. The applied spray solutions should be incorporated into the root zone by irrigation.

TURF APPLICATIONS

Apply 2 qts./acre and incorporate into the root zone by means of irrigation.

**CONDITIONS OF SALE-LIMITED WARRANTY
AND LIMITATIONS OF LIABILITY AND REMEDIES**

Read the Conditions of Sale-Warranty and Limitations of Liability and Remedies before using this product. If the terms are not acceptable, return the product, unopened, and the full purchase price will be refunded.

This label is believed to be reliable and must be followed carefully. Injury to the crop to which the product is applied may result from the occurrence of extraordinary or unusual weather conditions or the failure to follow the label directions or good application practices, all of which are beyond the control of Helena Chemical Company (the "Company") or seller. In addition, failure to follow label directions may cause injury to crops, animals, man or the environment. The Company warrants that this product conforms to the chemical description on the label and is reasonably fit for the purpose referred to subject to the factors noted above which are beyond the control of the Company. The Company makes no other warranties or representations of any kind, express or implied, concerning the product, including no implied warranty of merchantability or fitness for any particular purpose, and no such warranty shall be implied by law.

The exclusive remedy against the Company for any cause of action relating to the handling or use of this product shall be limited to, at Helena Chemical Company's election, one of the following:

1. Refund of the purchase price paid by buyer or user for product bought, or
2. Replacement of the product used

To the extent allowed by law, the Company shall not be liable and any and all claims against the Company are waived for special, indirect, incidental, or consequential damages or expense of any nature, including, but not limited to, loss of profits or income. The Company and the seller offer this product and the buyer and user accept it, subject to the foregoing conditions of sale and limitation of warranty, liability and remedies.
