

KILLS & REPELS

Fleas • Ticks • Mosquitoes •
Lice • Mites • Mange • & more!

DIRECTIONS | For Dogs & Cats, apply every 2-3 days or as needed to kill & repel fleas, ticks & mosquitoes. Spray generously on body, including belly, tail & legs. Depending on fur length & type, work Evolv through the coat with hands, brush or bottle if necessary. Spray into hands or on cloth to apply to face & ears. Safe for everyday use.

*Avoid soaking animals with spray.

Note: This product has no known toxic effects from licking the skin. It does not contain any drugs or harsh chemicals. Sensitivity may occur after use of any product for pets. If signs of sensitivity occur, bathe your pet with mild soap. If signs continue consult a veterinarian.

Tips: Spray bedding & play areas for routine prevention.

CAUTION | Avoid contact with eyes. Keep out of reach of children. Not for use on birds, snakes or fish.

How It Works

The active ingredient in Wondercide products block the neurotransmitter octopamine, killing & repelling insects instantly. Octopamine is only found in insects, so Evolv™ is safe for use around pets & people. Wondercide products also kill eggs, larvae & pupae on contact.

Wondercide Evolv™ kills on contact & is a powerful, lasting repellent.
