Contains Iron For Green Power!

Net Weight 20 LBS. (9.08 KG)

Lawn Food Plus Iron 10755

Covers Up To 5,000 Sq. Ft.

10755

ferti·lome®

Lawn Food Plus Iron

# Lawn Food Plus Iron

## DIRECTIONS FOR USE

You will find the following directions for feeding your lawn and preventing and correcting yellow grass foliage (a sign of lack of iron) easy to follow.

### 1. WHAT IS THIS PACKAGE FOR?

**ferti·lome® LAWN FOOD PLUS IRON** provides the high Nitrogen and Iron required for deep green, thick lawns.

### 2. HOW DO YOU USE IT?

Apply with fertilizer spreader settings from chart below. Water immediately after application.

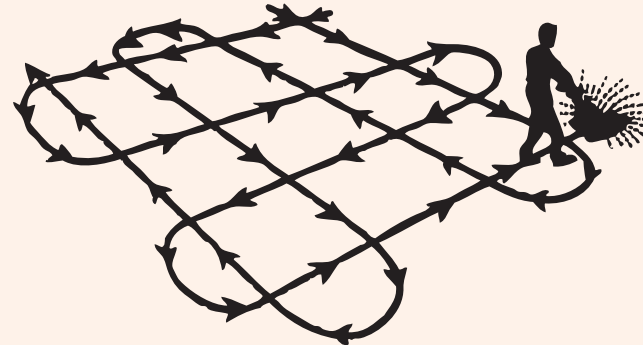

Make no more than 2 applications per year in North Florida. One application delivers 4.0 lbs. per 1,000 sq. ft.

Do not apply near water, storm drains or drainage ditches. Do not apply if heavy rain is expected. Apply the product only to your lawn/garden, and sweep any product that lands in the driveway, sidewalk, or street, back onto your lawn/garden.

## SPREADER GUIDE ONE BAG WILL COVER UP TO 5,000 SQUARE FEET

These settings can be used only as a guide, they are not absolute. The speed at which the applicator walks, spreader condition and the texture of the turf will alter the rate of application. If product remains in spreader after application to recommended square foot coverage, spread remainder over same area going at right angles (See Diagram).

SPREADER	SPREADER SETTINGS
ferti·lome® Plus Iron Broadcast/Earthway 2850	14
ferti·lome® Plus Iron Prof. Broadcast/Earthway 2800A	14
ferti·lome® Deluxe Broadcast/Earthway 2050 S.U.	14

Scott Broadcast/Speedy Green	6
Republic/Scotts Broadcast	5
Republic Drop	6
Precision Broadcast/Red Devil	10
Precision Drop FH-22D	9

**NOTE:** This product is not intended for use on container grown plants!

### 3. HERE ARE THE RESULTS YOU MAY EXPECT!

Green, thick lawn areas are easily obtained and maintained with use of **ferti·lome® LAWN FOOD PLUS IRON**.

**CAUTION:** Iron stains sidewalks, driveways and ornamental cement lawn fixtures. Use caution around these items. If this product comes in contact with sidewalks, driveways, or cement lawn fixtures, sweep product off with broom.

**DO NOT TRY TO WASH PRODUCT FROM SIDEWALKS OR DRIVEWAYS.**
