**MONTEREY HORTICULTURAL OIL**

**Fungicide, Insecticide and Miticide**

**FOR ORGANIC PRODUCTION**

**ORNAMENTALS • ROSES • VEGETABLES • CITRUS**

- SMALL FRUITS • TREE FRUITS & NUTS

Controls Aphids, Mites, Scales, Whiteflies and Other Soft-Bodied Insects

**Year-Round Usage — Dormant and Growing Season**

For use only in Home Fruit and Vegetable Gardens, Home Greenhouses, Interior Plantscapes & Ornamental Gardens

---

**Active Ingredient:**

| Mineral Oil*                  | 80.0% |
| Other Ingredients:           | 20.0% |
| Total:                       | 100.0% |

*Contains petroleum distillates.

Unsulfonated Residue of Mineral Oil . . . . 92.0% min.

EPA Reg. No. 48813-1-54705  
EPA Est. No. 48498-CA-1

**NET CONTENTS:** 1 Pint, 1 Quart, or 1 Gallon

Manufactured For:

**LAWN AND GARDEN PRODUCTS, INC.**  
P.O. Box 35000 • Fresno, CA 93745 • (559) 499-2100  
info@montereylawngarden.com

**KEEP OUT OF REACH OF CHILDREN CAUTION**

**FIRST AID**

| If On Skin Or Clothing: | • Take off contaminated clothing.  
|                       | • Rinse skin immediately with plenty of water for 15-20 minutes.  
|                       | • Call a poison control center or doctor for treatment advice. |

| If Swallowed:         | • Immediately call a poison control center or doctor for treatment advice.  
|                       | • Do not induce vomiting unless told to do so by the poison control center or doctor.  
|                       | • Do not give ANY liquid to the person.  
|                       | • Do not give anything by mouth to an unconscious person. |

| If In Eyes:           | • Hold eye open and rinse slowly and gently with water for 15-20 minutes. |

---

**PRECAUTIONARY STATEMENTS**

**HAZARDS TO HUMANS AND DOMESTIC ANIMALS**

**CAUTION:** Harmful if absorbed through skin. Avoid contact with eyes, skin, or clothing. Prolonged or frequently repeated skin contact may cause allergic reactions in some individuals. Wear long-sleeved shirt, long pants; shoes; socks and chemical-resistant gloves made of barrier laminate or viton. Wash thoroughly with soap and water after handling. Remove contaminated clothes and wash them before reuse. Keep all persons (other than applicator) and pets out of treated areas until sprays have dried.

**ENVIRONMENTAL HAZARDS**

This pesticide is toxic to fish. To protect the environment, do not allow pesticide to enter or run off into storm drains, drainage ditches, gutters or surface waters. Applying this product in calm weather when rain is not predicted for the next 24 hours will help to ensure that wind or rain does not blow or wash pesticide off the treatment area. Rinsing application equipment over the treated area will help avoid run off to water bodies or drainage systems.

**DIRECTIONS FOR USE**

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling. Apply this product only as specified on the label.

Do not allow people (other than applicator) or pets on treatment areas during application. Do not enter treatment areas until sprays have dried.

**PRODUCT INFORMATION**

This insecticide’s mode of action is through suffocation of eggs, larvae and nymphs of insects and mites and adults of soft-bodied insects. This mode of action necessitates total spray coverage. As a fungicide this product interferes with the attachment of the pathogen to the host and acts as a suffocant.

This product may be used to control mite and insect pests in the egg stage, including; spider mites, eriophyid mites, armored scale, soft scale, mealybugs, psyllids, whiteflies, aphids, leafrollers, leafhoppers, webworms, cankerworms, plant bugs, leafhoppers and adelgids. This product will kill other immature forms if spray covers the insect. See APPLICATION RATES tables for species claimed to be controlled on specific types of plants. Use this product only on the types of plants identified in the APPLICATION RATES tables.

**USE PRECAUTIONS:**

All horticultural oils interfere with or slow plant transpiration and respiration during periods of evaporation. DO NOT apply during periods of drought or when plants exhibit moisture stress.
TIMING THE TREATMENT:
You must determine the precise timing to fit local growth and climatic conditions. This product can be applied up to day of harvest.

MIXING DIRECTIONS:
This product mixes readily with water. A pump up sprayer or trigger sprayer may be used. If this product comes packaged in a ready-to-spray container, see the “Ready-To-Spray Container Directions” below. CAUTION: The ready-to-use sprayer is for outdoor uses only.

Pump–up or Trigger Sprayer Mixing Directions: Fill the sprayer half full with water, add the appropriate rate of this product and continue filling the sprayer. Spray formulation should be mixed well and often.

How To Use The Ready-To-Spray System
CONNECT
1. Shake well before using.
2. Connect sprayer to hose.
3. Turn on water.

SPRAY
1. Before spraying, point nozzle in the direction you want to spray.
2. Bend small plastic tab back and turn knob clockwise to ON position.

FINISH
1. To stop spraying, turn knob counter clockwise to OFF position.
2. Turn off water.
3. Relieve water pressure by bending plastic tab back and turning knob to ON position until water slows to a drip. Then turn knob back to OFF position.
4. Disconnect sprayer from hose.

APPLICATION INSTRUCTIONS
Use enough spray solution to completely penetrate the leaf canopy and cover both top and bottom of all of the leaves until wet without significant runoff. Most mature standard trees will require 3 to 4 gallons of spray solution per tree although citrus trees may require 8 to 15 gallons of spray solution per tree. Fruits, vegetables, and ornamentals generally require 1 to 2 gallons of spray solution per 1,000 sq. ft.

## STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage or disposal.

**PESTICIDE STORAGE:** Store in a secure locked area away from pets and out of the reach of children. Store only in original container and place in a locked storage area.

**CONTAINER/PESTICIDE DISPOSAL:** If Empty: Nonrefillable container. Do not reuse or refill this container. Place in trash or offer for recycling if available. If Partly Filled: Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

## IMPORTANT: READ BEFORE USE

Read the entire Directions for Use, Conditions, Disclaimer of Warranties and Limitations of Liability before using this product. If terms are not acceptable, return the unopened product container at once.

By using this product, user or buyer accepts the following Conditions, Disclaimer of Warranties and Limitations of Liability.

**CONDITIONS:** The Directions for Use of this product are believed to be adequate and must be followed carefully. However, it is impossible to eliminate all risks associated with the use of the product. Crop injury, ineffectiveness or other unintended consequences may result because of such factors as weather conditions, presence of other materials, or the manner of use of application, all of which are beyond the control of Lawn and Garden Products, Inc. To the extent permitted by applicable law, all such risks shall be assumed by the user or buyer.
DISCLAIMER OF WARRANTIES: To the extent consistent with applicable law, Lawn and Garden Products, Inc. makes no other warranties, express or implied, of merchantability or of fitness for a particular purpose or otherwise, that extend beyond the statements made on this label. No agent of Lawn and Garden Products, Inc. is authorized to make any warranties beyond those contained herein or to modify the warranties contained herein. To the extent consistent with applicable law, Lawn and Garden Products, Inc. disclaims any liability whatsoever for special, incidental or consequential damages resulting from the use or handling of this product.

LIMITATIONS OF LIABILITY: To the extent consistent with applicable law, the exclusive remedy of the user or buyer for any and all losses, injuries or damages resulting from the use or handling of this product, whether in contract, warranty, tort, negligence, strict liability or otherwise, shall not exceed the purchase price paid or at Lawn and Garden Products, Inc.’s election, the replacement of product.
