

InVade[™] technology

MopClean[™]

New Product!

32 Pouches of Powerful Probiotic & Citrus Oil Cleaner Concentrate to Eat Scum at the Source

InVade[™] Mop Clean[™] is a premium blend of microbes, citrus oil and other cleaners for daily mopping and hard surface cleaning (no other cleaners needed). The product is packaged into pre measured four fl oz pouches, the perfect amount for a standard mop bucket. 32 pouches, a one month supply for typical applications, come packaged in a

convenient dispenser box making InVade[™] Mop Clean[™] the perfect add on sale to regular service calls. This treatment is ideal for commercial kitchens. InVade[™] Mop Clean[™] is also perfect for non-floor surface cleaning such as urinals, under counters,

and behind bars. A one quart spray bottle is ideal for diluting one pouch with water and spraying scummy areas until damp. InVade[™] Mop Clean[™] will get microbes, cleaner and citrus oil into cracks in floor tiles, baseboards, and drains to eliminate organic build up and odors. The product should be allowed to dry and not wiped away.

Product Code:

IBMC324 - dispenser box containing 32 individual 4 fl oz pouches of InVade[™] Bio Cleaner[™]

InVade[™] technology

MopClean[™]

One Month Supply
Use Daily
No Rinse Formula

DIRECTIONS FOR USE

InVade[™] Mop Clean[™] contains premium, natural, scum-eating, odor eliminating microbes, citrus oil and other cleaners. For mopping, pour one pouch into a standard mop bucket (about 2-4 gallons) of warm (not scalding hot) mop water. No other cleaners are needed. After mopping, pour remaining mop water in drains. For best results, use daily. For non-floor surface cleaning such as urinals, under counters, and behind bars, pour one pouch in a one quart spray bottle and dilute with water. Spray scummy areas until damp. Do NOT rinse treated areas or use bleach, caustic cleaners or disinfectants in mop or spray water. Do not apply to direct food contact surfaces.

for any persistent irritation. Store between 35 and 95 °F.

Mopping cleans but also tends to push small bits of food, other organic matter and water into cracks, crevices and voids where it builds up and can cause problems over time. InVade Mop Clean contains probiotic microbes specifically designed to consume organic matter. When you mop with Mop Clean you're pushing hungry microbes into those cracks and crevices to literally eat the scum. Attack scum and organic matter mother nature's way, with natural soil derived microbes.

Net Contents: 32, four fl oz pouches per carton (One month supply for typical applications)

Precautions: Keep out of reach of children. If more than an incidental amount is swallowed, seek medical attention immediately. Give one glass of water and do not induce vomiting. Wash hands well after use. If in eyes, remove contacts and flush with water for 15 minutes. Seek medical attention
