ENERGEL

Energy Boost for Dogs

Energel is a nutritional supplement for dogs containing essential vitamins, minerals, and trace elements.

- Ideal for:
 - Rapidly growing young
 - Pregnant or lactating females
 - Recovery following illness or surgery
 - All young animals
- Keep your pet at optimal performance levels
- High energy. Sustaining energy. Digestible vegetable fats
- Superior palatability
- Easy to feed, handy gel form. Feed from the finger, dish, or pet's front paws.
- Maintains a healthy skin and coat
- May be used with mammals, birds and reptiles.

FEEDING DIRECTIONS: Give at the rate of 1-2 teaspoons (4.6 to 9.2 gm) per 10 lbs (4.5 kg) of body weight per day. If Energel is the principle energy source, double the amount given.

Calorie content: 4,761 Kal/kg or 21.9 Kcal/teaspoon (calculated)
