Joint Solution

Oral supplement for Joint Relief and Cartilage Maintenance

Recommended as a nutritional supplement for geriatric and arthritic animals.

- Formulated with Glucosamine HCL and Chondroitin Sulfate.
- Promotes healthy joints and maximum flexibility.
- Relieves chronic joint pain and inflammation.
- Use regularly for building and maintaining cartilage, tendons and ligaments.
- Easy to administer, highly palatable gel.

Use for pets suffering from arthritis pain, joint disorders and age related stiffness.

DIRECTIONS FOR USE:

Initial dose – first 7 days

Under 10 lb. 1/2 tsp. (2.8 g) daily

Over 10 lb. 2 tsp. (11.2 g) daily

Over 25 lb. 2 tsp. (11.2 g), add 1 tsp. (5.6 g)

Per 25 lbs. 2 tsp. (11.2 g) for a maximum of 4 tsp. (22.4 g) daily

Maintenance: Use half the amount of the above dose.

Not for human consumption.

Consult your veterinarian regularly.

Store at room temperature.
