Pro-Green Lawn Tonic

DIRECTIONS FOR USE

We recommend the following directions for feeding your lawn and preventing and correcting chlorosis (yellowing).

1. WHAT IS THIS PACKAGE FOR?

ferti·lome® PRO-GREEN LAWN TONIC helps promote vigorous plant growth and a deep green, thick lawn.

2. HOW DO YOU USE IT?

Apply **ferti·lome® PRO-GREEN LAWN TONIC** any time during the growing season. Using the spreader settings listed below, apply the contents of this bag to 5,000 sq. ft.

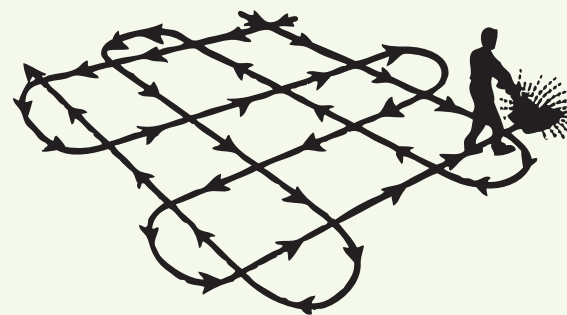

Water thoroughly after each application.

SPREADER GUIDE ONE BAG WILL COVER UP TO 5,000 SQUARE FEET

These settings can be used only as a guide, they are not absolute. The speed at which the applicator walks, spreader condition and the texture of the turf will alter the rate of application. If product remains in spreader after application to recommended square foot coverage, spread remainder over same area going at right angles (See Diagram).

Note: This product may stain cement curbs, sidewalks and driveways if not swept off immediately after application. Wash product from border plants and other foliage with water.
