Sulfodene[®]

MEDICATED SHAMPOO & CONDITIONER FOR DOGS

- Ideal as Dog's Regular Shampoo
- 2 Veterinarian Recommended Itch-Fighting Ingredients
- Relieves Flaking and Scaling, too
- Leaves Coat Lustrous...Conditions, Deep-Cleans, Deodorizes

INDICATIONS: For the temporary relief of itching, flaking and scaling.

DIRECTIONS: Shake well before using. Moisten coat. Rub in shampoo to rich, conditioning lather. Rinse thoroughly. Dry and brush coat. Shampoo frequently for your dog's comfort and to keep the skin and coat clean, lustrous and odor free.

CAUTION: For external use only. Avoid contact with eyes. If undue skin irritation develops or increases, discontinue use and consult veterinarian. Not recommended for use on puppies under six weeks of age. **Not for use on cats.** Keep this and all medications out of reach of children. In case of accidental ingestion, seek professional assistance or contact a Poison Control Center immediately.

ACTIVE INGREDIENTS: Coal Tar, Sulfur, Triclosan

For many dog skin problems, including as an aid in the treatment of hot spots and as first aid for scrapes and abrasions, use SULFODENE[®] Medication for Dogs. Read label carefully before use.
