

KEEP OUT OF REACH OF CHILDREN

Winterizer

FOR ESTABLISHED LAWNS

DIRECTIONS FOR USE

We recommend this package of **ferti-lome® WINTERIZER** because a Fall feeding can help prevent Winter damage to Lawn Grasses, and you do not lose as many valuable Trees, Shrubs, Ornamentals and Evergreens due to hazards of a cold Winter.

1. WHAT IS THIS PACKAGE FOR?

This product is especially formulated to help put your Lawns, Trees, Shrubs, Ornamentals and Evergreens in proper condition to withstand the hazards of a cold Winter, because it helps on the hardening of late growth and helps build root systems. Root growth goes on through the Fall and Winter. Recommended for Fall and Winter uses.

2. HOW DO YOU USE IT?

ESTABLISHED LAWNS:

Apply **ferti-lome® WINTERIZER** using spreader settings in table below. Water thoroughly after application.

Do not apply near water, storm drains or drainage ditches. Do not apply if heavy rain is expected. Apply this product only to your lawn/garden, and sweep any product that lands on the driveway, sidewalk, or street, back onto your lawn/garden.

**SPREADER GUIDE
ONE BAG WILL COVER UP TO 5,000 SQUARE FEET**

These settings can be used only as a guide, they are not absolute. The speed at which the applicator walks, spreader condition and the texture of the turf will alter the rate of application. If product remains in spreader after application to recommended square foot coverage, spread remainder over same area going at right angles (See Diagram). Apply 4 lbs. of product per 1,000 sq. ft. The maximum number of broadcast applications per treatment site is 2 per year.

SPREADER	SPREADER SETTINGS

Precision Broadcast/Red Devil	9
Precision Drop FH-22D	9

TREES: It is very important to fertilize your Trees. Well-fed Trees not only grow faster and develop into better Shade Trees, but well-fed Trees normally are not damaged as extensively by Tree Borers and other Insects as poorly fed Trees. Fertilize your Trees by applying 1 lb. of **ferti-lome® WINTERIZER** for each inch of trunk diameter. Apply to ground out under the widest spread of branches. Water thoroughly.

SHRUBS; ORNAMENTALS, EVERGREENS: Apply **ferti-lome® WINTERIZER** by sprinkling a light coating on ground out under the widest spread of branches at the rate of 1 cup to 3 ft. plant; larger or smaller plants in proportion.

ROSES, AZALEAS, CAMELLIAS AND GARDENIAS: **ferti-lome® WINTERIZER** can be used for the Fall feeding of Roses, Azaleas, Camellias and Gardenias by following the directions listed above for Shrubs, Water will.

CAUTION: DO NOT OVER APPLY NEAR SHRUBS AND TREE TRUNKS.

NOTE: Not recommended for container grown plants!

3. HERE ARE THE RESULTS YOU MAY EXPECT!
When used as directed, **ferti-lome® WINTERIZER** aids in increasing Winter hardiness, helps build better root systems aids hardening of late Fall growth, and promotes sturdiness in plants weakened by too rapid growth.
