

# Zylam<sup>®</sup> Liquid

SYSTEMIC INSECTICIDE

## Rapid control of more than 100 listed sucking and chewing insects!

### WHAT IT IS

A liquid formulation of dinotefuran, **Zylam<sup>®</sup> Liquid Systemic Insecticide** provides exceptional control of a broad spectrum of listed chewing and sucking insects. Used as a drench, soil injection, or bark banding application, Zylam Liquid features translaminar activity to quickly move through the leaf and control insects that hide on the underside of leaf surfaces.

### WHAT IT DOES
