SHAKE WELL BEFORE USING

EcoSMART
ORGANIC INSECTICIDE

ANT & ROACH KILLER²

Introducing **EcoSMART** **ANT & ROACH KILLER²**

Now there is a new, organic, fast-killing insecticide that is **safe to use around children and pets**. Unlike other insecticides, it is made from organic plant oils and kills bugs naturally to better protect your family. It's safe. It's effective. It's smart. Naturally.

To learn more about the **EcoSMART** story, as well as our products and technology, please visit us at www.ecosmart.com.

FRESH NATURAL SCENT SIGNALS IT'S WORKING.

DIRECTIONS FOR USE:

SHAKE WELL BEFORE USING. READ ENTIRE LABEL AND USE ACCORDINGLY.

ANT & ROACH TREATMENT: Kills ants, carpenter ants, cockroaches, crickets, pill bugs, silverfish, spiders and other crawling insects on contact. Hold container upright and aim nozzle away from yourself. Press button firmly to spray. Spray on insects to kill on contact. Also, treat areas where insects are commonly found, including around sinks and plumbing, near appliances, behind cabinets and around waste containers. When treating for ants, spray around entry points and trails. Contact as many insects as possible. Repeat as necessary.

NOTE: When used indoors, wipe away excess product. As with most household products, it is recommended that this product is tested in an inconspicuous area of any carpet, upholstery and/or fabric before using.

PRECAUTIONARY STATEMENTS: We recommend good safety practices when using any insecticide, such as avoiding contact with eyes and skin. If product gets in eyes, flush with water for at least 15 minutes. If on skin, wash with soap and water. If irritation persists, contact a physician.

PHYSICAL HAZARDS: Contents under pressure. Keep away from heat, sparks and open flames. Do not puncture or incinerate container. Exposure to temperatures above 130° Fahrenheit may cause container to burst.

STORAGE & DISPOSAL: CAUTION: Keep out of reach of children. Store in a cool, dry area away from heat or open flame. When container is empty, recycle if available. Do not puncture or incinerate.

LIMITATION OF LIABILITY: EcoSMART makes no warranties of merchantability or of fitness for a particular purpose, nor any other express or implied warranty except as stated above. Buyer assumes all responsibility for safety and use not in accordance with label, directions and precautionary statements.

EcoSMART represents that this product is a Minimum-Risk pest control product, and qualifies for exemption from EPA registration under the Federal Insecticide, Fungicide and Rodenticide Act (FIFRA).
