Net Contents: 32 FL OZ (946 ML)

I Must Garden Armadillo Repellent repels armadillos and other burrowing animals from lawns and gardens by making their food source (grubs and insects) taste and smell distasteful.

Covers up to 10,000 Sq Ft

DIRECTIONS:

SHAKE WELL before each use. With the sprayer control valve in the OFF position, attach sprayer to garden hose. Face the nozzle toward area to be treated. Turn on water supply and snap off safety tab. Turn valve to ON and begin spraying. When finished turn control valve to OFF. Turn off water supply. Turn sprayer control valve to WATER to discharge residual water in garden hose. Turn sprayer control valve to OFF. Soak in repellent with water using hose or sprinkler for 10 minutes. Do not allow to run off. **TIPS FOR SUCCESS:** Apply at first signs of digging or damage. Dampen dry areas prior to treatment. Large areas may be treated in stages, working toward an exit point. May need to be reapplied after excessive rainfall. Areas of high infestation may require additional treatment. It's not uncommon to notice increased animal activity after treatment.

I Must Garden takes pride in providing safer alternatives for gardening and pest control. Our all natural products are safer around children and pets.

I Must Garden represents that this product qualifies for exemption from registration under the Federal Insecticide, Fungicide, and Rodenticide Act.

Our Guarantee

If you are not 100% satisfied with our product, we will refund the suggested retail price or replace the product. I Must Garden will not be liable for any direct or incidental damage. Product refund or replacement is our only obligation. Limit one per household.

STORAGE AND DISPOSAL:

Do not contaminate water, food or feed by storage or disposal.

STORAGE: Store in original container, in a cool, dry area inaccessible to children and pets. Protect from heat and freezing. Keep containers closed tightly to prevent evaporation. If spillage occurs, dilute with water and flush away.

CONTAINER DISPOSAL: If empty: Do not reuse this container. Place in trash or offer for recycling if available. If partly filled: Call your local solid waste agency or 1-800-CLEANUP for disposal instructions. Never place unused product down any indoor or outdoor drain.
