Portable Wet/Dry Steam Vac

The Vapamore® MR-50 Steam Vac... The only portable wet / dry vacuum and steam cleaner combined in one. It cleans wet or dry stains such as spills, pet stains, dirt, and grime instantly before stains set in.

The steaming function provides two operating modes, instant high temperature dry vapor steam for general cleaning, or wet steam mode for larger or set in stains and spills, at the touch of a button. It can also be used as a conventional portable wet/dry vacuum without having to use a big and bulky shop vac.

The water tank holds 300mm of water supplying continuous steam for chemical free cleaning. The MR-50 features three operation modes: wet steam for deep stains, dry steam for general cleaning, powerful wet-dry vacuum.
