

ProFoam Platinum Nothing Else Stacks Up

ProFoam Platinum a unique blend of foaming agents offers treatment capabilities by transporting all types of products to remote areas. Such as wall voids, tunnels, ground voids, drains and other voids needing complete treatment of all vertical and horizontal surfaces.

Principle Function Agents:

Sulfates Disodium Lauroampho Diacetate

Total 60%

Inert Ingredients: 40%

DIRECTIONS:

Follow all mixing instructions on chemical manufacturer's label, adding *ProFoam* as directed. User must complete any equipment and other calibration steps that may be required to ensure proper coverage. *ProFoam* rates will vary depending on chemical and equipment used. For use in food plants: Food contact surfaces are to be rinsed with potable water before reuse.

EQUIPMENT INFO: *ProFoam* was designed for the NPD Universal Soldier line of equipment but will also work in other foam generators. *ProFoam* may be metered through in-line injection devices such as venture and proportional injectors. Each of these dispensing systems use different technology. Contact your equipment manufacturer for detailed instructions.

MIXING GUIDELINES:

ADD FOAMING AGENT TO MIXTURE LAST

To Achieve Low Expansion ½ to 1 ½ oz. / gal.
1 – 7 to 1 (4 mls. to 12 mls. / liter)

To Achieve High Expansion 1 ½ to 6 oz. / gal.
8 – 20 to 1 (12 mls. to 47 mls / liter)
Expansion rates will vary depending on water pH and temperature.

CAUTION: Avoid eye and skin contact. Keep out of reach of children. In case of contact in eyes or skin, immediately flush with water for at least 15 minutes. If irritation persists get medical attention. If swallowed, **DO NOT INDUCE VOMITING. CONTACT PHYSICIAN IMMEDIATELY.**

CAUTION

KEEP OUT OF REACH OF CHILDREN

NOTICE:

Carefully follow all directions. All information on the use of this product are believed to be reliable. Mixtures with other chemicals and equipment used are beyond the control of the manufacturer and seller. Buyer assumes all risks in use, storage and handling of this material. All use must be in strict accordance with label directions. In no case shall the manufacturer or the seller be liable for consequential or indirect damages resulting from the use of or handling of this product. The buyer assumes all risk and accepts this as a condition of sale. No other warranty is expressed or implied.

STORAGE AND CONTAINER DISPOSAL:

Store in closed areas and in original container. Use caution when moving, opening or pouring. Triple rinse (or equivalent). Dispose of in a sanitary landfill, or other procedures approved by state and local authorities. Offer for recycling where available.
