MANUFACTURED FOR:

HELENA CHEMICAL COMPANY
225 SCHILLING BOULEVARD, SUITE 300
COLLIERVILLE, TENNESSEE 38017

GENERAL INFORMATION

PRO-MATE® Green Giant is a very concentrated green liquid spray indicator dye, that is a temporary colorant, ideal for accurate applications of liquid pesticides and fertilizers.

PRO-MATE® Green Giant helps show applicators where they have sprayed and will help avoid costly oversprays and skips. **PRO-MATE® Green Giant** dissipates quickly in wet and dry weather, mixes completely with water soluble pesticides and fertilizers, and does not affect chemical efficacy.

For optimal rate application, experiment with the volume of spray solution and rate of

PRO-MATE® Green Giant to find a rate that is functional and economical.

SUGGESTED RATES

PRO-MATE® Green Giant may be added to water based spray solutions at the rate of 6 to 10 ounces per 100 gallons of spray solution. Rates will vary depending on turf color, turf height, and spray application rate.

STORAGE AND DISPOSAL

Keep in original container, store above 55°F (13°C). Use personal protective equipment. Wear protective eyewear and chemical resistant gloves. Before disposing of container, triple rinse, then offer container for recycling or reconditioning, or puncture and dispose of in a sanitary landfill. Do not reuse empty container. Dispose of container in a safe manner in accordance with federal, state, and local regulations.

NOTE: According to the U. S. Environmental Protection Agency, Office of Pesticides and Toxic Substances, no clearance is required for this product under 40 C.F.R 180.1001 for use on non-food crops. This product is not approved or labeled for edible or food crop use.

This product is non-toxic under OSHA standard 20 CFR 1910.1200 and SARA Title III.

CONDITIONS OF SALE - LIMITED WARRANTY AND LIMITATIONS OF LIABILITY AND REMEDIES

Read the Conditions of Sale-Warranty and Limitations of Liability and Remedies before using this product. If the terms are not acceptable, return the product, unopened, and the full purchase price will be refunded.

The directions on this label are believed to be reliable and should be followed carefully. Insufficient control of pests and/or injury to the crop to which the product is applied may result from the occurrence of extraordinary or unusual weather conditions or the failure to follow the label directions or good application practices, all of which are beyond the control of Helena Chemical Company (the "Company") or seller. In addition, failure to follow label directions may cause injury to crops, animals, man or the environment. The Company warrants that this product conforms to the chemical description on the label and is reasonably fit for the purpose referred to in the directions for use subject to the factors noted above which are beyond the control of the Company. The Company makes no other warranties or representations of any kind, express or implied, concerning the product, including no implied warranty of merchantability or fitness for any particular purpose, and no such warranty shall be implied by law.

The exclusive remedy against the Company for any cause of action relating to the handling or use of this product shall be limited to, at Helena Chemical Company's election, one of the following:

1. Refund of the purchase price paid by buyer or user for product bought, or
2. Replacement of the product used

To the extent allowed by law, the Company shall not be liable and any and all claims against the Company are waived for special, indirect, incidental, or consequential damages or expense of any nature, including, but not limited to, loss of profits or income. The Company and the seller offer this product and the buyer and user accept it, subject to the foregoing conditions of sale and limitation of warranty, liability and remedies.
