

# TRUETECH™

SPRAYERS ■ FOAMERS ■ MISTERS

## TrueTech 1000 Assembly Instructions

**1** Remove all contents from box.

**4** Add product to be applied to tank with ProFoam® Platinum foaming agent if desired.

**2** Set aside hose and tips.

**5** Pump handle to pressurize tank.

**3** Attach hose to liquid or foaming nozzle.

**6** Select tip based on job.

**7** Clean the tank, hoses and tips at the end of each day or when switching to a different product.
